

**Association of WELS/ELS
Christian Counselors
and
Life Coaches**

**Published 2007
Revised 12/2009**

Introduction & Welcome

This directory of WELS/ELS Christian Counselors and Life Coaches is intended as a resource for members of our fellowship. The individuals listed in this directory are all WELS/ELS members who serve as professional counselors and life coaches. We recognize the importance of seeing professionals who are trained in mental health, career and family issues and at the same time provide direction through shared Biblical principles. It is our desire to let you know who we are, where we are, and how we can be reached.

As Christian professionals, intent on serving our Lord, we have formed an association in order to network and encourage one another. We would also invite other WELS/ELS professional counselors and life coaches to contact us and join us in this effort. Our website: www.livinghopellc.org will be updated regularly with additions and changes. Questions regarding the directory or on becoming a member can be directed to Living Hope Christian Counseling. Our address, phone number, and email addresses are on pages 20 and 36 of this directory.

We wish to thank Jim Wiedenhoef, Director of Family Counseling Associates MCA, for his partnership in this effort. We also thank St. Mark Ev. Lutheran Church in De Pere, WI for its support in the printing and mailing of this directory.

May the Lord continue to bless you as you work for the sake of His kingdom.
